

SUBJECT: CELDT 2015–16 Edition Secure Materials Destruction Window Opens
DATE SENT: May 23, 2016

Dear CELDT District Coordinator:

The Secure Materials Destruction Window for the California English Language Development Test (CELDT) 2015–16 Edition is now open. The window closes on **Friday, July 22, 2016**.

The CELDT District Coordinator has two options for the secure destruction of materials: (1) return all secure materials to Educational Data Systems, or (2) securely destroy the materials locally. Both options require the CELDT District Coordinator to log on to the secure [District Portal](#) and make a selection online.

View the *Secure Materials Destruction Instructions* document on the [Document Archive](#) Web page of the CELDT Web site for more information about each option and for instructions on how to indicate the method your district has chosen.

For further inquiries about the secure materials destruction process, please contact the CELDT Customer Support Center by phone at 866-850-1039 or by e-mail at support@celdt.org.

Sincerely,

CELDT Project Team
