SUBJECT: CELDT Seasonal Scoring Opportunity from October through January

EDUCATIONAL  
DATA SYSTEMS

Dear CELDT District Coordinator:

Educational Data Systems, the California English Language Development Test (CELDT) contractor, is seeking California educators and other qualified individuals, including retired educators, to score student responses for the Writing domain in the 2016–17 Edition CELDT. All training will be provided. Applicants must have a bachelor's degree, and a teaching credential is highly desirable.

This seasonal, part-time work will occur from October 2016 through January 2017 in Sacramento. The hours are flexible with morning, afternoon, and evening shifts available.

Refer to the [CELDT Opportunities](#) Web page for more information about the position and to complete the online CELDT Scoring 2016 Interest Survey; one of our team members will then contact you to determine your eligibility. If you have questions prior to submitting the survey, please contact the CELDT Customer Service Center at 1-866-850-1039.

Thank you.

Sincerely,

CELDT Project Team
