

SUBJECT: CELDT 2016–17 Edition Data Review Module (DRM) Opens Today
DATE SENT: February 27, 2017

Dear CELDT District Coordinator:

The California English Language Development Test (CELDT) 2016–17 Edition Data Review Module (DRM) is now open. Districts have four weeks, **until 5:00 p.m. on Friday, March 24, 2017**, to edit demographic data for all students tested during the Annual Assessment (AA) Window (July 1 through October 31, 2016). There will be no other opportunity for districts to make corrections to 2016–17 AA Window data.

To access the DRM application and to download the 2016–17 Edition *DRM Data File Layout* and *DRM User Guide*, log on to the secure [District Portal](#) and select the *Data Review Module* link. Additionally, a DRM tutorial, which provides a pre-recorded lesson on how to use the application, is available on the [Web Application Tutorials](#) Web page of the CELDT Web site.

For questions about the DRM, please contact the CELDT Customer Support Center by phone at 866-850-1039 or by e-mail at support@celdt.org.

Sincerely,

CELDT Project Team
