

Subject: CELDT 2017–18 Edition Scoring Training of Trainers (STOT) Workshops  
Registration Opens Today  
Date Sent: February 13, 2017

Dear CELDT District Coordinator:

This is a reminder that registration for the 2017–18 Edition California English Language Development Test (CELDT) Scoring Training of Trainers (STOT) workshops opens today. As the CELDT District Coordinator, only you are able to register trainers for a workshop.

**New STOT workshop participants:** Registration priority for the 2017–18 STOT workshops will be given to CELDT district trainers who have never attended a STOT workshop.

**Previous STOT workshop participants:** CELDT district trainers who have previously attended a STOT workshop must fulfill the 2017–18 training requirement by either: (1) completing the online training presentations and quizzes in the Moodle Training Site; or (2) attending a regional workshop. However, interested previous participants who register will be automatically wait-listed for a possible last-minute slot in a STOT workshop, and will be notified a week prior to each STOT workshop if space is available.

To register, log on to the secure [District Portal](#). Dates and locations can be found on the CELDT Web site at the [Scoring Training of Trainers Workshops](#) Web page.

Please note that all CELDT test examiners are required to be trained to administer the 2017–18 Edition. Refer to the *CELDT 2017–18 Edition Scoring Training of Trainers Materials Update* e-mail sent on February 2, 2017 and posted on the [Communications Log](#). That update provided details about online training resources and downloadable resources available for local training purposes.

For further inquiries about the STOT workshops and the available resources, please contact the CELDT Customer Support Center by phone at 866-850-1039 or by e-mail at [support@celdt.org](mailto:support@celdt.org).

Sincerely,

CELDT Project Team  
Educational Data Systems

**Note:** Please do not send a reply to this e-mail message as this e-mail address is not monitored. If you have further questions, please contact the CELDT [Customer Support Center](#).
