New STOT workshop participants: Registration priority for the 2017–18 STOT workshops will be given to CELDT district trainers who have never attended a STOT workshop.

Previous STOT workshop participants: CELDT district trainers who have previously attended a STOT workshop must fulfill the 2017–18 training requirement by either: (1) completing the online training presentations and quizzes in the Moodle Training Site, or (2) attending a regional workshop. However, interested previous participants will be automatically wait-listed for a possible last-minute slot in a STOT workshop; they will be notified a week prior to each STOT workshop if space is available.

More information about registration, the opening of the Moodle Training Site, and regional workshops will be e-mailed in February 2017. For further inquiries about the STOT workshops, please contact the CELDT Customer Support Center by phone at 866-850-1039 or by e-mail at support@celdt.org.
